Tesco Stores

Tesco Extra - Tesco Extra shops are larger, mainly out-of-town supermarkets that stock nearly all of Tesco's product ranges, although some are in the heart of town centres and inner-city locations.

There are currently 252 Tesco Extra stores to choose from.

Tesco Superstores - Tesco Superstores are standard large supermarkets, stocking groceries and a much smaller range of non-food goods than Extra hypermarkets.

There are currently 479 Tesco Superstores in the UK.

Internal Promotions - Designated retail pop-up and promotional spaces are available inside the entrance or exit areas of Tesco stores; these are high footfall locations and offer the perfect opportunity for lead generation and customer acquisition.

External Promotions - Working particularly well for larger experiential or vehicle based events, external promotions are allocated four car parking bays as close to the Tesco store entrance as possible.

The hard standing paved area may also be available in some locations. This space is directly outside of the Tesco entrance or exit doors and is used by a huge variety of industries.
