## MEDIA SHEET

Dobbies, with 68 stores, are the biggest garden centre operator in the UK.

Modern garden centres are looked upon as destinations with most providing outlet food and clothing shopping as well as catering for the garden enthusiasts – some centres such as Atherstone are even considered to be tourist attractions.

# Dobbies Garden Centres

Dobbies attracts more than the home owning demographic you would expect at a garden centre and can provide a great platform for multisite marketing campaigns or businesses wishing to engage their local public. Site maps available for certain venues, click the bold links for this option.
