Quayside Level

Quayside level provides internal and external locations for a wide variety of activities: focusing on leisure and food this level provides direct access to Princes Dock Street and Bonus Arena. The internal spaces offer vehicle access and 13amp power.

The large digital screen showcases a range of content and is operational daily from 8am until 8pm. It's a great opportunity to advertise your store and offers in a prominent location. You can advertise on the screen FREE of charge.

Image specifications are: Big screen landscape : 1920px x 1080px Big screen portrait : 1080px x 1920px Video content for the digital screen needs to be MP4, AVI or MKV format. Video content needs to be sent via we transfer or dropbox at least 48 hours before your booking date.

Quayside:

The quayside on Princes Dock Street offers space for catering and family based activities along the full length of the quay. Locations don't have power and a residential curfew is in place in some spaces so daytime and early evening activity preferred.

Quayside Dock:

Access to the water from the dock provides a great location for water based promotions, activities or events. From inflatable assault courses and canoeing lessons through to a multi-user, astro-turfed pontoon for sports sessions. Surrounded by water this offers a unique location.

Atrium:

Overlooked from all levels this space offers power, visibility and a focal destination for your brand event. Live streaming to the screen and a superb sound system opportunities enable you to deliver a brand takeover which reaches across the whole centre.

Atrium Mall:

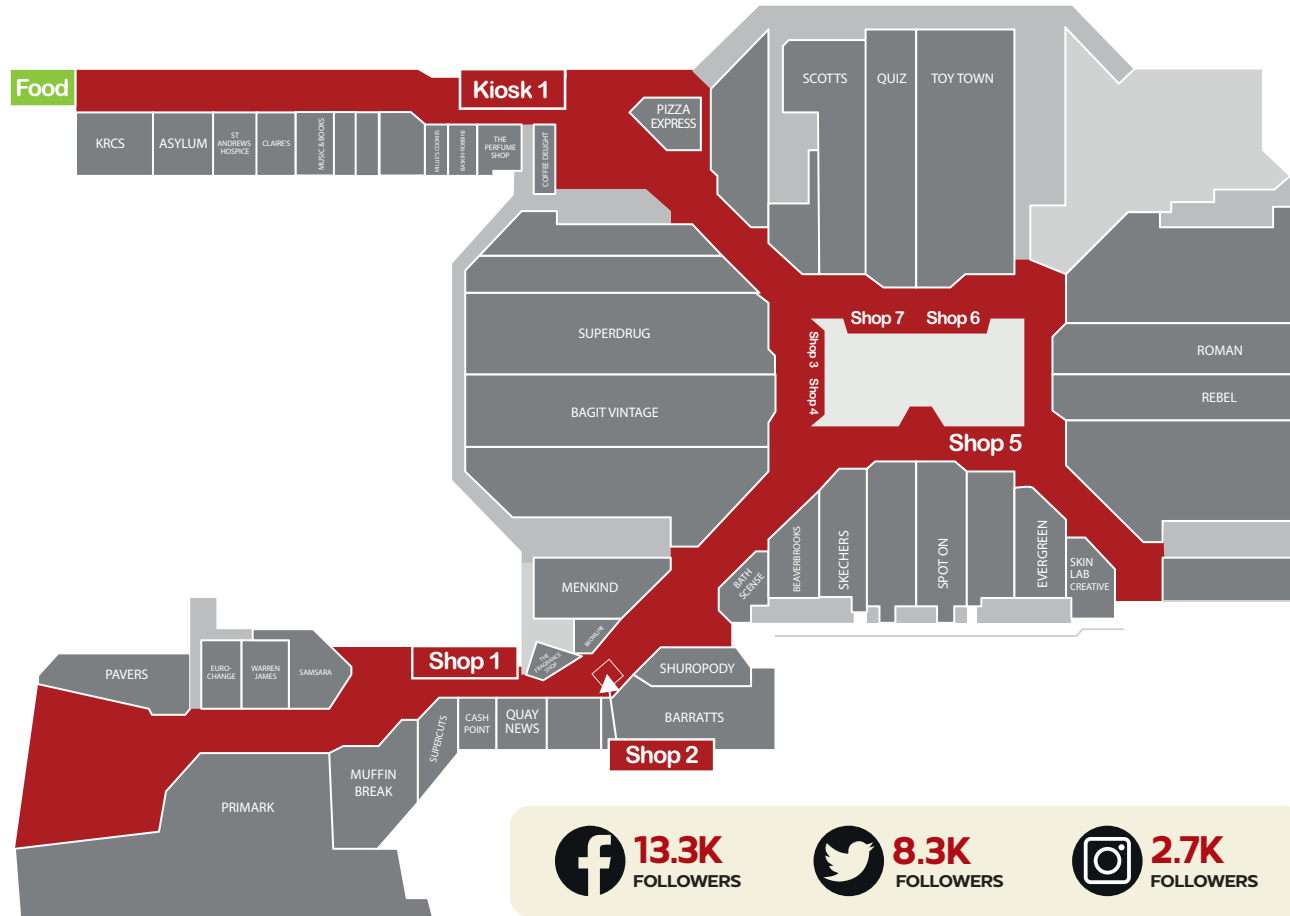

Leading out to Quayside the wide mall provides promotional and trading locations to support a main event or deliver your message to those guests that visit Princes Quay in the evening for the cinema or a meal.

Bonus Arenas:

A fantastic space for events or experiential marketing with room for support from mobile food traders. BA1 being opposite to the pedestrian entrance on the other side of the road. BA2 being between the bollards and centre post at the entrance to Princes Quay. BA3 being within the undercover entrance to Princes Quay.

High Street Level

Food:

A single external location at the entrance to Princes Quay from Carr Lane/Whitefriargate provides an operator with shelter, access to water and marketing support. Ideal for street food or street trading anyone occupying this space would need to hold the Hull Street Trading Licence.

Kiosk 1:

Occupied by Photo Me.

Shop 1:

Occupied by Mobilise.

Shop 2:

Mid Mall (2m x 3m) this location requires a full 360 degree display – perfect for a small trading stand or a brand promotion.

Shop Locations (Shops 3-6):

The balcony offers multiple locations for small pop-up promoters who want high visibility from a key location. No power is available in these spaces.

Retailers Primark, Superdrug, and Beaverbrooks are all benefiting from the impact of the redevelopment and centre repositioning. Improved seating areas, and wayfinding see 80% of shoppers entering the scheme across three entrances on this level.
