Case Study

Why The Promotion?

We were looking to generate canvassed leads from spaces within high footfall venues such as Wickes DIY, Garden Centres, Shopping Centres and Town/ City Centres.

How Did Access Point Help?

Access Point supplied us with a variety of different venues which were easily accessible through their booking portal .

Results

We were pleased with the response we received and extremely happy with the targets met and the sales that followed.

Your Experience Working With Us?

Very professional, Marc has been a fantastic contact throughout all our transactions.

“Access point would be the only company that I have found to be proactive in all they do. I have nothing but respect for how hard they work and how they have helped to make sure everything runs smoothly.”
