

Hillier Garden Centres

MEDIA SHEET

About Hillier Garden Centres:

With 22 Garden Centres located across the South of England, Hillier is the ideal choice for promoters working on targeted campaigns or traders wishing to engage with a local audience.

Customers at Hillier recognise the commitment to providing plants, gardening accessories, and services of the highest quality. As a result, they are more likely to engage with promotional activities that reflect the same exceptional standards.

Hillier Garden Centres are ideal for pop-up activity, sampling, experiential marketing events or brand awareness campaigns.

Hillier Garden Centres

Hillier, depending on the centre, can provide opportunities for all types of activity:

Internal spaces that are ideal for pop-up activity, sampling or brand awareness.

External space at the front of a centre or in the car park for larger branding campaigns, mobile traders, car dealerships and promoters.

Each centre is different and the team at Access Point can help you decide on the best site and location for your activities.
