Edge Lane, Old Swan, Liverpool L13 1EW

Liverpool Shopping Park is located on Edge Lane – one of the major gateways into the city centre and is already the largest retail park in Liverpool with an average footfall of over 178,000 shoppers per month. Once complete it will be one of the UK's biggest retail and leisure destinations of its kind with over 700,000 sq ft featuring fashion, food and leisure.

Built close to the site of the iconic Meccano factory on Binns Road, Liverpool Shopping Park has a 30ft Meccano Liver Bird statue standing proudly in the centre of the park. It is the World's biggest Liver Bird and was designed by internationally-renowned local artist Emma Rodgers.

Anchored by the likes of M&S Food Hall, Boots, Next and TK Maxx, once complete, there will be 1,500 parking spaces including plentiful disabled and parent and child spaces as well as charging points for electric vehicles.
